

OSI'S HISTORY IN THE SHAWANGUNKS

Conserved more than **40,000 acres**, an area almost three times the size of Manhattan

Protected, improved, or restored **50 miles of trails**

Safeguarded **six waterfalls** and **15 streams**

Eight state forests created or expanded by OSI on and along the Shawangunks

Conserved **1,930 acres** to bolster a wildlife superhighway between the Catskills and the Shawangunks
